Are you interested in serving on one of the Ulster County Advisory Committees?

What makes Ulster County such an amazing place are the people who live here. The Legislature has many advisory boards, committees and commissions which provide important insights and guidance on many issues facing our County and residents. Please consider sharing your knowledge and expertise by becoming a volunteer.

Check the Legislative Home Page on the County Website for openings on Boards & Commissions and apply online.

Dear Ulster County Residents,

On behalf of the Ulster County Legislature, I am pleased to provide you with the 2023 Ulster County Directory. Enclosed, you will find contact information for your Ulster County representatives, county departments, and partner agencies. The directory also contains a comprehensive listing of your federal, state, and local officials.

This year's cover photo is by Andacs Laszlo, a local artist from Gardiner, New York. The image celebrates our county's irreplaceable natural resources and the breathtaking beauty of our region.

Ulster County has long been recognized for its environmental, climate, and sustainability leadership. In 2021, Ulster County was the first county government to earn silver-level certification as a Climate Smart Community. Ulster County also led the State on critical environmental initiatives such as the Polystyrene Food Packaging Ban, the Food Waste and Reduction Act, and the Bring Your Own Bag Act.

The Ulster County Legislature is proud to partner with county, state, and federal leaders to continue efforts to reduce greenhouse emissions. The climate crisis demands our collective attention and effort. Our health and the economic vitality of our region depend on our continued commitment to building a safe, clean energy future.

By transitioning to a cleaner, greener economy and government, we will protect the health and safety of our citizens, strengthen energy security, and protect our agricultural lands, forests, and water. We will also create thousands of family-sustaining jobs in green industries and improve the quality of life for all Ulster County's residents. Together, we can create a sustainable world for our children and future generations.

Please don't hesitate to contact your Ulster County legislator or my office directly for assistance with the many services we provide. We look forward to serving you and continuing to work on your behalf.

Sincerely,

A handwritten signature in black ink, appearing to read "Tracey A. Bartels".

Tracey A. Bartels
Chair, Ulster County Legislature
